

*Getting mad*

*Fighting*

*Giving up*

*Leaving*

*Putting themselves in danger*

*Asking for help*

*Apologizing*

*Going back to the road, to each other*

*Back home*

*Start over*

*That's how they love each other*

*In a toxic way*

*Like no one should*

*Losing friends and family*

*Losing themselves*

*That's the way they love each other*

*That's the only way they know*
